

# THE ASSOCIATION OF Concert Bands

Be a part of something great:

*Join us Today!*

Your ACB membership shows your commitment to community bands and concert band music. As community band enthusiasts, we want to play, we want to have fun playing and we want to make our band better. We want tips and help in building our audience, fundraising, finding fun themed concerts and much more. The Association of Concert Bands is the best network for community bands. As the “International Voice of Community Bands,” the ACB provides benefits and services for its member bands and provides many opportunities for individual adult musicians and conductors to socialize, perform, and improve. See Membership Application on back page for additional benefits by membership type.

*By being a member of the Association of Concert Bands, you help support ACB activities and projects that encourage and foster adult concert community, municipal, and civic bands on a national scale. Membership also aids in promoting performances of the highest quality in traditional and contemporary literature for bands.*

## Individual, Student, Family, and Life members receive:

NAXOS MUSIC LIBRARY (NML) STREAMING SERVICE – ACB has reached an agreement with NAXOS Records to provide their music streaming service **free** to **Individual, Student, Family** and **Life** members. *Now, for the cost of these ACB memberships, you get a valuable music streaming service for free!*

## All members receive:

- Subscription to the *ACB Journal* and periodic informational mailings

The *ACB Journal*, published three times annually, is a key resource for sharing information among adult concert bands. Issues typically include articles by and for musicians, news and recent programs from member bands, reviews on new music, as well as information on upcoming music conventions, tours, adult band camps, festivals and travel opportunities. Additionally, the *ACB Journal* regularly includes coverage on the annual ACB Convention.

- Ability to register for annual convention

The ACB Convention is an opportunity for everyone in a band – directors, members, leadership – and music industry leaders, administrators, and board members to share ideas, experiences and challenges. Educational seminars, clinics, and performances by chosen member bands are a daily convention occurrence. Any convention registrant is welcome to participate in convention band, which is traditionally led by an esteemed conductor.

- Access to reference materials in the member area of ACBands.org

In addition to the ACB membership directory, our “Blueprint for Starting and Maintaining a Band” features information on running a community band – establishment, funding, development, maintenance and promotion.

Other member resources, including past issues of the *ACB Journal* with links to articles by topic.

- Voting rights in organizational elections
- Toll free question and answer hotline at 1.800.726.8720
